

THE LAST SEVEN YEARS CHART

Above is a graphic I originally made on December 24 of the year 2000 called the "Last Seven Years Chart", which shows the 70th, (seventieth), Week of the prophecies of Daniel. This "Last Seven Years Chart" is based upon my current understanding of the 70th, (seventieth), week prophecy of Daniel, and may be updated as my understanding of Daniel's Endtime prophecies becomes more clear.
